

January @ MacGregor Point

All programs take place at the **Visitor Centre**, unless otherwise stated.
Children must be accompanied by an adult at all Park programs & events.

**Saturday
January**

Family Hike: Birding for Beginners

**7
10:00am**

Join Park Naturalists and learn about our year round birds and how they survive the winter months. Learn about ID techniques, unique birds behaviours and common calls

**Saturday
January**

Guided Hike: Wetlands in Winter

**14
2:00pm**

Join us at the **Visitor Centre Parking Lot** for an illustrated hike to get to the bottom of wetlands in winter. Learn about the unseen activity happening under the ice!

**Saturday
January**

Guided Hike: Winter Track ID

**21
10:00am**

The winter is the best time to see animal tracks in the wild! Come learn tips and tricks on how to identify what creature wondered by.

**Saturday
January**

Meet a Naturalist: Hibernation vs. Migration

**28
10:00am**

Some sleep while some just leave and some simply brave the cold! Come learn more about these important survival methods!

**February
18-20**

Family Day Weekend!

A weekend of family fun! Come out and enjoy the last of our winter programs this weekend and test your skills with the family SURVIVAL CHALLENGE. See full program details on our website.

Are you interested in renting snowshoes or cross-country skis?
Rent your winter equipment today from **Thorncrest Outfitters in Southampton!!**
