

## **The Day Your Life Changed – Climate Change circa 535 AD with Dan Ostler**

**A natural phenomenon in 535 AD provided an excellent opportunity to observe the effects of climate change. In this presentation, we will follow the ripples of this event across the face of our earth.**

***EVERYONE WELCOME – STUDENTS,  
TEACHERS, BACKYARD NATURALISTS***

**7PM THURSDAY, APRIL 12, 2018**

**PUBLIC LIBRARY - Admission Free - Donations Welcome**

***Knowing Nature Better***
