## **Prairie Ecosystems with Nikki May**

**Nikki May will speak about the different kinds of prairie in North America and Ontario in particular, their extent, history and ecology. The talk will feature iconic fauna and flora and their role in the prairie ecology. Learn about species you can grow in your own back yard to attract butterflies and bees.**

**7PM THURSDAY, MARCH 14, 2019**

**PUBLIC LIBRARY 824 1ST AVE. WEST OWEN SOUND**

**Admission Free - Donations Welcome – Visit [www.osfn.ca](http://www.osfn.ca)**
