## **Marg Gaviller: The Horses of Sable Island" Plus, The Journey "Back to Newfoundland"**

**The Sable Island horses, originally domestic animals, are now the main occupants of the island. They roam freely in the natural environment, comfortably in the temperate summers but battered by high winds and ferocious storms in the winter, and without human interference.**

**These feral horses are, indeed, a joy to behold.**

**7PM THURSDAY, FEBRUARY 13, 2020**

**BAYSHORE COMMUNITY CENTRE, OWEN SOUND**

**Admission Free - Donations Welcome**
