

Young Naturalists'

Welcome to the Young Naturalists!!!!

The Young Naturalists' Club is for children aged 7 to 12 years old. Younger and older children are welcome, however ages under 7 must be accompanied by an adult during each meeting. We typically meet once a month from 2:00 pm until 4:00 pm (please note offsite trips are planned), but for some events the times may vary. The program operates from September to June but with no meeting in December. Parents and guardians are encouraged to stay and participate or volunteer if they wish.

Please fill out the registration form and bring it with you to the first outing in September.

* Registration will be based on first come first served basis. Cost is \$20 per person or \$40 for a family plus Field Trip Costs.

* Current Members of the Owen Sound Field Naturalists are welcome to register their family to attend!

Proper clothing and footwear is recommended—be prepared for mother nature!
