

Young Naturalists'

Welcome to the Young Naturalists!!!!

The Young Naturalists' Club is for children aged 7 to 12 years old. We typically meet once a month from 2:00 pm until 4:00 pm, but for some events the times may vary. The program operates from September to June but with no meeting in December. Parents and guardians are required to stay and participate. Please fill out the registration form and bring it with you to the first outing in September.

Proper clothing and footwear are required—be prepared for mother nature!
